## Diploma of Leadership and Management

### training—where knowledge + health meet

AMA Skills Training is a business unit of Australian Medical Association (South Australia) Inc., which is the peak representative body for the medical profession formed in 1879. AMA Skills Training is a Registered Training Organisation (RTO No. 40880) under ASQA Standards for Registered Training Organisations (RTOs) 2015.

We were established to develop and deliver training specifically for the Primary Health Care sector and to issue parchments/certificates and statements of attainment for nationally accredited qualifications and units of competency.

All our courses are based on a blended delivery:-

- ▶ face to face
- ▶ self paced learning
- ▶ workplace learning
- ▶ webinars
- ▶ online
- ▶ RPL

Our flexible delivery focuses on practical components of study as well as real work situations with choices of delivery times. Our delivery staff include members of the Health workforce who are practitioners with extensive and current experience in the Health industry.

### Course Description

This qualification reflects the role of individuals who apply knowledge, practical skills and experience in leadership and management across a range of enterprise and industry contexts. Individuals at this level display initiative and judgement in planning, organising, implementing and monitoring their own workload and the workload of others. They use communication skills to support individuals and teams to meet organisational or industry requirements. They plan, design, apply and evaluate solutions to unpredictable problems, and identify, analyse and synthesise information from a variety of sources.

### Occupational Titles

Occupational titles for these workers may include:-
