

Take charge NOW! Setting up your financial future

Hood Sweeney are the preferred accounting and financial planning provider of the AMA(SA) and are leaders in business and financial advice to the health sector.

Supporting healthcare professionals, Hood Sweeney are passionate about partnering with AMA(SA) members assisting them to make informed financial decisions during their career journey.

This session will cover:

- What you need to know about tax
- Understand why you should be salary packaging (and understanding the NEW meal entertainment benefit)
- Why you should be protecting your most important asset
- The basics you need to know about superannuation
- Key principles of financial health
- Planning to purchase your first home
